

ADOPTED		VERSION NO	1.1
COUNCIL MEETING MIN	232/22	REVIEW DATE	AUGUST 2026
DATE:	17 AUGUST 2022	FILE NUMBER	ENV200033

## Objective

The objectives of Mid-Western Regional Council in banned smoking in various Council owned buildings and on certain Council owned lands are to:

- Improve the health of community members;
- Improve public amenity and maintenance of Council property;
- Raise community awareness of the issues associated with smoking;
- Provide community leadership in taking measures to protect the health and social wellbeing of the community; and,
- Minimise cigarette butt pollution on Council owned land.

## Policy

This policy recognises that Council has:

- An obligation to promote public health outcomes where Council provides assets and services intended to be of benefit to children and other members of the community;
- A commitment to improve the natural environment and the amenity of the local area by reducing the amount of cigarette butt litter found in outdoor spaces;
- An understanding that the damaging effects of passive smoking while well documented in regard to indoor areas, is also beginning to emerge in regard to outdoor areas; and
- An acknowledgement that the indirect effects of people smoking in an outdoor area can result in children playing with and swallowing discarded cigarette butts; cigarette-derived particles accumulating on clothing and skin; and smoking causing sensory irritations such as eye watering, coughing, difficulty in breathing or asthma.

The following areas on Council land are smoke free; that is no smoking:

- Within ten (10) metres of all children's playground equipment;
- On all playing fields, sporting grounds and sporting facilities (i.e. swimming pools, outdoor sports centres);
- At all events run or sponsored by Council;
- Within ten (10) metres of Council owned or managed buildings including balconies or covered areas of those buildings;
- Glen Willow Sporting Precinct; and
- Within all covered bus stops and taxi ranks,

Except at major events run by Council where a dedicated signposted smoking area is provided.
