

6.2.16 July Council Meeting

REPORT BY THE GENERAL MANAGER TO 6 JUNE 2013 COUNCIL MEETING

July Council Meeting

A0100056, A0100004

RECOMMENDATION

That:

1. the report by the General Manager on the July Council Meeting be received;
 2. the July meeting of Council be changed from 17 July to 24 July.
-

Detailed report

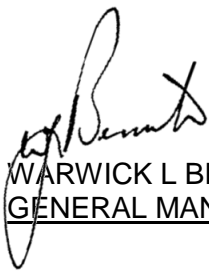

I have had requests from Councillors to change the July meeting date. Council will be aware that only one meeting is held in the month of July being the third Wednesday. Because there are five Wednesdays in July some Councillors would like the opportunity to have more time for holidays or family commitments therefore if we defer the July meeting from 17 July to 24 July we still have the opportunity of having two weeks between the July meeting and the first meeting in August.

Financial implications

Nil.

Strategic or policy implications

The current Council policy is for the meetings to be held on the third Wednesday of each month. To amend that policy for this meeting only would just require a public advertisement.
