

NOTES

The boundaries have been defined for the purpose of detail survey and design purposes only and should not be used for any other purpose. The boundaries have not been marked as part of this survey.

Services have been located by visual inspection and service authority records only. As such, the location of all underground services shown hereon are approximate and indicative only. Other services may be present and the relevant authorities must be contacted along with positive identification of all services before any construction takes place.

(X) - EASEMENT TO SUPPLY ELECTRICITY 30 WIDE - DP 246916

LEGEND

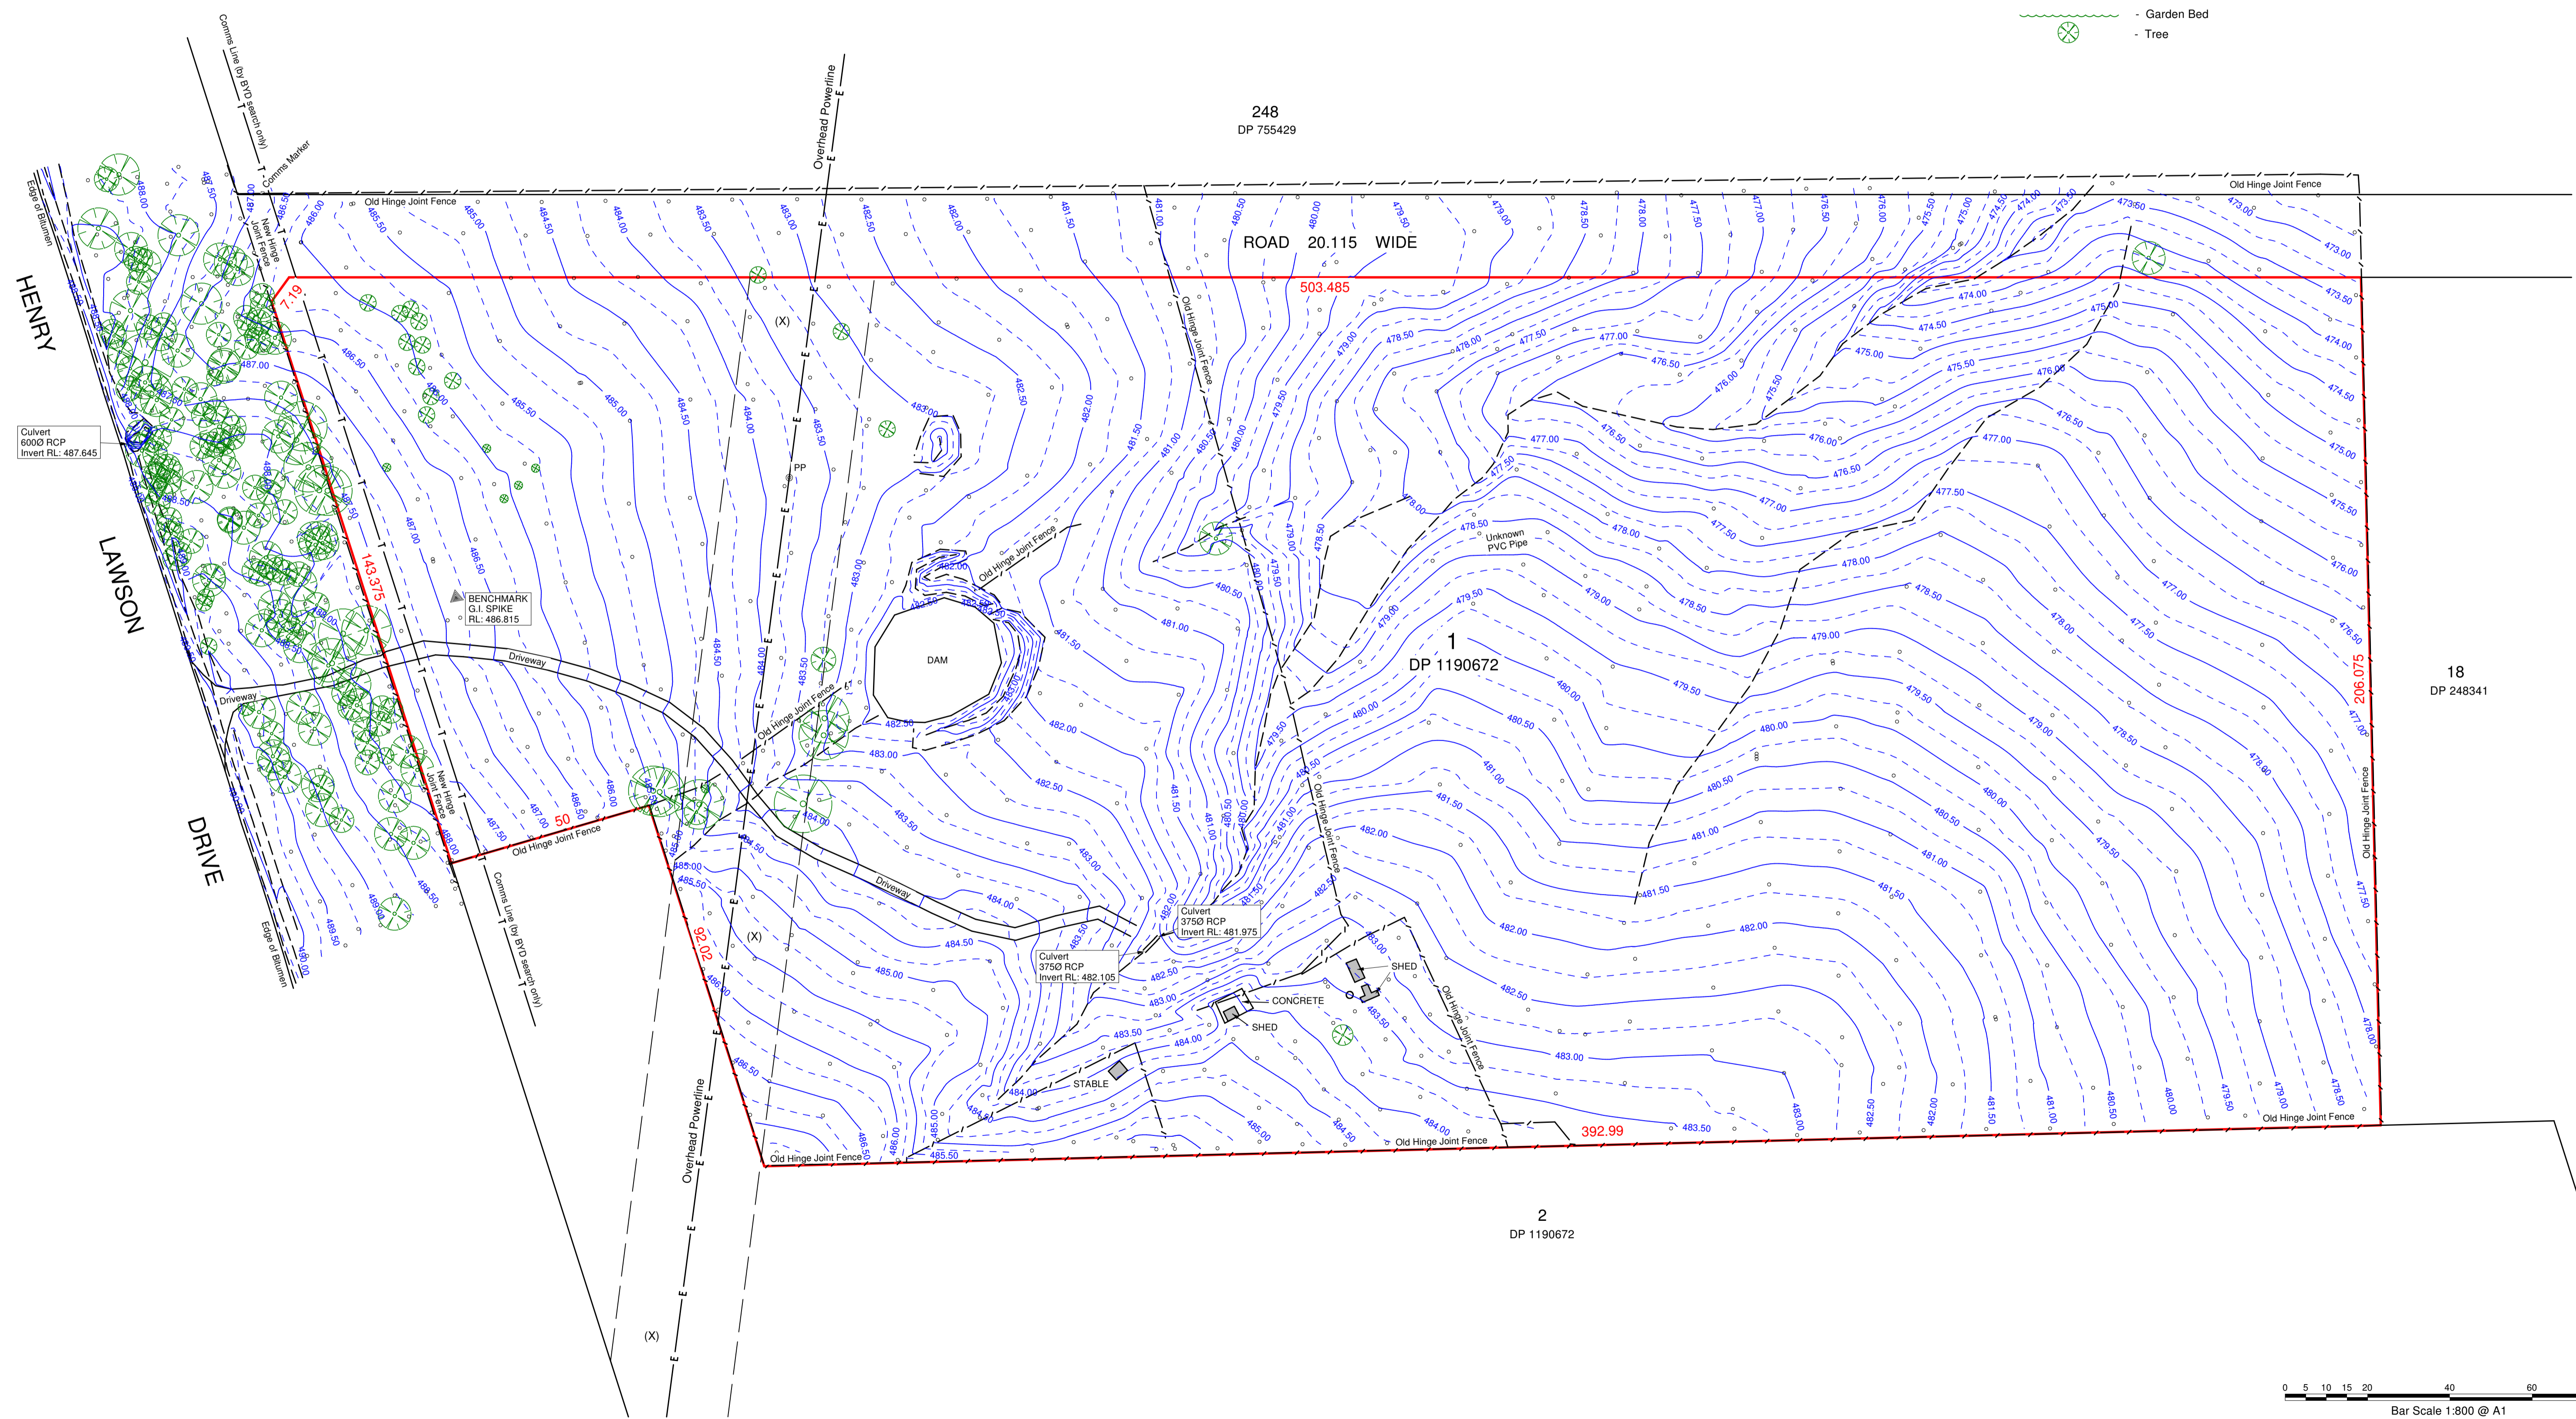

- Top / Bottom of Bank
- - - - - Fence
- T --- Communications Main/Line
